

Pass Me By (If You're Only Passing Through)

Paul Brandt

Pass me by, if you're only passing through

Well, look at what walked down the street today
She wanted me to be one more mistake to make
Just a bridge to cross to get to someone new
Hey, pass me by if you're only passing through

No, I don't want to be no stepping stone
Among the other hearts that you've walked on
And I don't know what you think you've run into
Hey, pass me by if you're only passing through

Well, you sure look like the travelling kind to me
Don't stop if this ain't where you want to be
Lord, help me if I fall in love with you
Hey, pass me by if you're only passing through

Well, you sure look like the travelling kind to me
Don't stop if this ain't where you want to be
Lord, help me if I fall in love with you
Hey, pass me by if you're only passing through

Well, you sure look like the travelling kind to me
Don't stop if this ain't where you want to be
Lord, help me if I fall in love with you
Hey, pass me by if you're only passing through
Yeah, pass me by if you're only passing through
Hey, pass me by, won't you pass on by
Hey pass me by if you're only passing through
