

# That's The Truth

Paul Brandt

So tired of listenin' to the politicians  
You can't believe what you see in the news  
Lawyers try with motions and revisions  
To spin a tale and tip the scales of truth

I work hard to make an honest livin'  
Do my best in everything I do  
Whether it's nine to five, football, cars or fishin'  
Or comin' home to hug and kiss on you

No lies or alibis  
It's all so clear when I look in your eyes  
Like an arrow shot bull's eye, straight and true  
Like the Mississippi flows into the bayou

(That's the truth)  
I'm comin' home to see you, baby  
(You're the one)  
You're the one thing that I know for sure  
(In a world)  
In a world that's goin' crazy

You're a matter of survival  
My heart and soul revival  
Swear on a stack of bibles  
Cross my heart and I will  
Be here for you and that's the truth

When I'm lost in the chaos and confusion  
You're the light that leads me to the shore  
I tell you girl, in a world full of illusions  
You're the ray of truth that I've been lookin' for

Now I'm late on the interstate  
Radio on at the end of the day  
Got the pedal to the metal, got the top rolled down  
I wanna scream and shout about the love we found

(That's the truth)  
I'm comin' home to see you, baby  
(You're the one)  
You're the one thing that I know for sure  
(In a world)  
In a world that's goin' crazy

You're a matter of survival  
My heart and soul revival  
Swear on a stack of bibles  
Cross my heart and I will  
Be here for you and that's the truth

Like and arrow shot bull's eye, straight and true  
Like the Mississippi flows into the bayou

(That's the truth)  
I'm comin' home to see you, baby  
(You're the one)

You're the one thing that I know for sure  
(In a world)  
In a world that's goin' crazy

You're a matter of survival  
My heart and soul revival  
Swear on a stack of bibles  
Cross my heart and I will  
Be here for you

(That's the truth)  
I'm comin' home to see you, baby  
(You're the one)  
You're the one thing that I know for sure  
(In a world)  
In a world that's goin' crazy

You're a matter of survival  
My heart and soul revival  
Swear on a stack of bibles  
Cross my heart and I will  
Be here for you and that's the truth

That's the truth
