

# I Don't Want To Hear Any More

Paul Carrack

It's not the first time  
That I've had the sense that something's wrong  
But I'm old enough to know  
That things don't always work out like they should  
I know you're tryin' hard  
To break it gently to me, now  
But there's no easy way  
To tell it like it is, so baby

I don't want to hear any more  
You don't need to tell me it's over  
I've been here before

I've seen that look before  
I know it well; it comes as no surprise  
You've been avoiding me  
But now you want to talk it over  
Before you take my hand  
And tell me softly in a whisper  
There's no need to explain

I've read the book; I know how this all ends

I don't want to hear any more  
You don't need to tell me it's over  
I've been here before

I won't ask you to stay  
I won't stand in your way  
Look me right in the eyes  
Let me walk away with my head high

If there's some other guy  
I don't need to know why

But I don't want to hear any more  
You don't need to tell me it's over  
I've been here before

I won't ask you to stay  
I won't stand in your way  
And I don't want to hear any more  
No, no, baby  
I don't want to hear any more
