## I Don't Want To Hear Any More

## **Paul Carrack**

It's not the first time
That I've had the sense that something's wrong
But I'm old enough to know
That things don't always work out like they should
I know you're tryin' hard
To break it gently to me, now
But there's no easy way
To tell it like it is, so baby

I don't want to hear any more
You don't need to tell me it's over
I've been here before

I've seen that look before
I know it well; it comes as no surprise
You've been avoiding me
But now you want to talk it over
Before you take my hand
And tell me softly in a whisper
There's no need to explain

I've read the book; I know how this all ends

I don't want to hear any more
You don't need to tell me it's over
I've been here before

I won't ask you to stay
I won't stand in your way
Look me right in the eyes
Let me walk away with my head high

If there's some other guy I don't need to know why

But I don't want to hear any more You don't need to tell me it's over I've been here before

I won't ask you to stay
I won't stand in your way
And I don't want to hear any more
No, no, baby
I don't want to hear any more
