Silent Running

Paul Carrack

Take the children and yourself And hide out in the cellar By now the fighting will be close at hand Don't believe the church and state And everything they tell you Believe in me, I'm with the high command

Can you hear me, can you hear me running? Can you hear me running, can you hear me calling you? Can you hear me, can you hear me running? Can you hear me running, can you hear me calling you?

There's a gun and ammunition Just inside the doorway Use it only in emergency Better you should pray to God The Father and the Spirit Will guide you and protect from up here

Can you hear me, can you hear me running? Can you hear me running, can you hear me calling you? Can you hear me, can you hear me running?

Can you hear me running, can you hear me calling you?

Swear allegiance to the flag Whatever flag they offer Never hint at what you really feel Teach the children quietly For some day sons and daughters Will rise up and fight while we stood still

Can you hear me, can you hear me running? Can you hear me running, can you hear me calling you? Can you hear me, can you hear me running? Can you hear me running, can you hear me calling you?

Can you hear me running (can you hear me calling you?) (Can you hear me) hear me calling you? (Can you hear me running) hear me running babe? (Can you hear me running) hear me running? Calling you, calling you
