

Where Would I Be

Paul Carrack

Tell me where would I be now
Without You
Without an angel
Watching out for me
It took a long, long time
For me to realize
All my faith in you
Was so justified
Tell me where would I be now
Without you
Where would I turn
To find the truth i need
I could never go back
To where i used to be
I've got so used to having
All the love you give to me
Tell me where would I
Be without you now

Ever time i stumble or i fall
I call you name and you'll be there
Or if i should fly too high
I know that your love will reach me
Anywhere

I could never go back
To where i used to be
I've got so used to having
All the love you give to me
Tell me where would i be now
Without you
Would i be lost, just drifting out to sea
If i could start all over
I wouldn't change a thing
'Cause i know you'll always
Be there through thick and thin
Tell me where would i
Be without you
