

# Do Right

Paul Davis

I know that He  
Gave His life for me,  
So I want to do right,  
Want to do right  
All of my life.

I never dreamed  
I could be holding you,  
But He's making my dreams come true,  
So I want to do right,  
Want to do right,  
I got to do right.

You've got to do right,  
Yes you've got to do right,  
And He'll be your guiding light.  
But you've got to do right,  
And He'll be your guiding light.

I used to say  
Love was just a game you play,  
But I see love in a different way.  
So I want to do right,  
Want to do right,  
I've got to do right.

I never knew  
I could be holding you,  
But He's making my dreams come true.  
So I want to do right,  
Want to do right,  
I want to do right.

You've got to do right,  
Yes you've got to do right,  
And He'll be your guiding light.  
But you've got to do right,  
And He'll be your guiding light.

We just can't keep on livin like we're livin,  
Just can't keep on living like we're livin.  
We just can't keep on livin like we're livin,  
Just can't.

You've got to do right,  
Yes you've got to do right,  
And He'll be your guiding light.  
But you've got to do right,  
And He'll be your guiding light.
