

# Give In To My Love

Paul Kelly

Have you heard the news of my love?  
Did they send a message down?  
That' I'm on the march with my love,  
And I'm death or glory bound.  
From the mountains to the marshes  
Now my love is gaining ground  
Give in to my love, give in to my love  
Give in to my love, give in to my love

Well I want to show you my love  
It's bigger than a Cadillac  
But you keep up your resistance  
And you try to drive me back  
I want to show you all my love  
It's bigger than a Cadillac  
Give in to my love, give in to my love  
Give in to my love, give in to my love

Give in to my love, give in to my love  
Give in to my love, give in to my love

Now my love is like a drunkard  
Holding up the bar  
He'll say the same thing over  
And he'll fix you with his stare  
You try and change the subject  
But you won't escape the war  
Give in to my love, give in to my love  
Give in to my love, give in to my love

Give in to my love, give in to my love  
Give in to my love, give in to my love
