

I Smell Trouble

Paul Kelly

Trouble
I smell trouble
Trouble
Coming on down now
Trouble
I smell trouble
Trouble
An old friend of mine

All I gotta do is step aside
Why can't I?
All I gotta do is step aside
Why can't I?

Ain't no bright side
I'm just mesmerised
Ain't no bright side
I'm just mesmerised

Trouble
I smell trouble
Trouble
An old friend of mine

Everybody says man just walk away
Why don't I?
Everybody says man just walk away
Why don't I?

Ain't no bright side
I'm just mesmerised
Ain't no bright side
I'm just mesmerised

Trouble
I smell trouble
Trouble
Coming on down tonight

Trouble
Trouble
Trouble
Trouble
Trouble
Trouble
Trouble
Trouble
