

## Last Resort

Paul Kelly

Pack my bags  
I'm gonna take a holiday  
Fill up my suitcase  
Fill it up to the top  
I'm gonna go far away

I find  
I lose  
I leave it all behind  
At the last resort  
I got time

Colour me gone  
Paint me out  
Forget I ever was your friend  
So what  
So long  
It's too late to make amends

I find  
I lose  
I leave it all behind  
At the last resort  
I got time

Check me out  
Check me in  
Make a reservation  
Cash or cheque  
It's a nice place  
Look at the curtains  
Look at the wallpaper

I find  
I lose  
I leave it all behind  
At the last resort  
I got time
