

Right Outta My Head

Paul Kelly

I'm gonna fuck her right outta my head
I'm gonna jump from bed to bed
Sally, Sonia, Sophie, Sue
I ain't met 'em all yet but I'm planning to
I'm gonna fuck her right outta my head

I'm gonna lay down a new set of memories
With Tanyas and Julies, Lindas and Emilies
And the way we moved in the mirror on the wall
I won't remember that at all
I'm gonna lay down a new set of memories

Ah, I'm a-gonna be ok
Ah, ah - once these visions go away

I'm gonna drink this whole town dry
No sad tear's gonna wet my eye
Maggie, Mary, Mona, Bill
Are gonna do me right - did I say Bill?!
I'm gonna drink this whole town dry

Ah, I'm a-gonna be just fine
Ah, ah - once these visions get offa my mind
I'm gonna jump from bed to bed
No sad tear's gonna wet my eye
I'm gonna lay down a new set of memories
I'm gonna drink this whole town dry
