

## Country Dreamer

Paul McCartney

Id like to walk in a field with you,  
Take my hat and my boots off too.  
Id like to lie in a field with you.  
Would you like to do it too, may?  
Would you like to do it too?  
Id like to stand in a stream with you,  
Roll my trousers up and not feel blue.  
Id like to wash in a stream with you.  
Would you like to do it too?

You and i, country dreamer,  
When there's nothing else to do;  
Me oh my, conutry dreamer,  
Make a country dream come true.

Id like to climb up a hill with you,  
Stand on top and admire the view.  
Id like to roll down a hill with you.  
Would you like to do it too, may?  
Would you like to do it too?

Id like to climb up a hill with you,  
Take my hat and my boots off too.  
Id like to lie in a field with you.  
Would you like to do it too, may?  
Would you like to do it too?
