

Every Night

Paul McCartney

1. Every night I just wanna go out, get out of my head
Every night I just wanna get out, get out of my bed
Every night I want to play out and
Every day I want to do do do do

But tonight I just want to stay in
And be with you
and be with you

R: Oh oh oh etc. (4x)

2. Every day I lean on a lamp post, I`m wasting my time
Every night I sleep on a pillow, I`m resting my mind
Every morning brings a new day
Every night that day is through

But tonight I just want to be here
And be with you
and be with you

R: Oh oh...
