

# Hand in Hand

Paul McCartney

Wanna give you my heart  
Wanna tell you my story  
Go and take it to another level  
You and me

Want to give you my word  
Let me give you my promise  
I will try to make it happen  
You can guarantee

Hand in hand  
Walking through life  
And making our plans  
Hand in hand

Let me enter your light  
Want to show you my passion  
We can make each other happy  
If we get it right

Hand in hand  
Walking through life  
And making our plans  
Hand in hand  
Taking our time  
And making a stand

We can make this dream come true  
Only if we want it to  
We can make this dream come true  
Only when we understood  
Everything in life is planned  
Can we make this dream come true

Want to give you my heart  
Want to tell you my story  
Gonna take it to another level  
You and me

Hand in hand  
Walking through life  
And making our plans  
Hand in hand  
Hand in hand
