

Heaven on a Sunday

Paul McCartney

1. Peaceful, like heaven on a Sunday.
Wishful, not thinking what to do
We've been calling it love
But it's a dream we're going through.

R: And if I only had one love
Yours would be the one I'd choose.
If I only had one love
Yours would be the one I'd choose.

2. Restful, like Devon on a Monday
Cooling my fingers in the bay
We've been learning a song
But it's a long and lonely blues.

R: If I only had one love
Yours would be the one I'd choose.
If I only had one love
Yours would be the one I'd choose.

3. It's peaceful, like heaven on a Sunday.
Wishful, not thinking what to do
We've been calling it love
But it's a dream we're going through.

R: And if I only had one love
Yours would be the one I'd choose.
If I only had one love
You'd would be the one I'd choose.

If I only had one love
Yours would be the one I'd choose.
If I only had one love
You'd would be the one I'd choose.

If I only had one love...
