Here, There and Everywhere

Paul McCartney

To lead a better life, I need my love to be here Here, making each day of the year Changing my life with the wave of her hand Nobody can, deny that there's something there

There, running my hands through her hair Both of thinking how good it can be Someone is speaking, but she doesn't know he's there

I want her everywhere, and if she's beside me I know I'd need n ever care But to love her is to need her

Everywhere, knowing that love is to share Each one believing that love never dies Watching her eyes, and hoping I'm always there

I want her everywhere, and if she's beside me I know I'd need n ever care But to love her is to need her

Everywhere, knowing that love is to share Each one believing that love never dies Watching her eyes, and hoping I'm always there

To be there and everywhere Here, there and everywhere
