I Don't Know

Paul McCartney

I got crows out my window, dogs at my door I don't think I can take anymore What am I doin' wrong? I don't know My brother told me, "Life's not a pain" That was right when it started to rain Where am I going wrong? I don't know

But it's alright, sleep tight I will take the strain You're fine, love of mine You will feel no pain

Well, I see trouble at every turn I've got so many lessons to learn What am I doin' wrong? I don't know Now what's the matter with me? Am I right? Am I wrong? Now I started to see I must try to be strong

I've tried to love you best as I can But you know that I 'm only a man Why am I going wrong? I don't know

Ooh, yeah Oh, woah, woah, woah, mhmm

But it's alright, sleep tight I will take the strain You're fine, little love of mine You will feel no pain

I got crows at my window and dogs at my door But I don't think I can take anymore What am I doin' wrong? I don't know Now what's the matter with me? I don't know, I don't know What's the matter with me? I don't know, I don't know What's the matter with me? I don't know, I don't know
