

# I'll Give You a Ring

Paul McCartney

You look a little lonely,  
Maybe I could meet you,  
Tell me where to reach you,  
And I'll give you a ring.  
I'll take you to the pictures,  
I'll miss the second feature.  
Lord, I can't believe my eyes, I must be dreaming,  
Give me your number, I'll give you a ring.

You look a little hungry,  
Maybe I could take you,  
Tell when to wake you up  
And I'll give you a ring.  
I take you to the restaurant,  
We're looking at the menu.  
Lord, I can't believe my eyes, I must be dreaming,  
Give me your number, I'll give you a ring.

Oh man, I know I won't be lonely any more, (won't be  
lonely any more)  
Me and my phone, I'm gonna call your home.  
I won't be lonely any more. (won't be lonely any more)

You look a little lonely,  
Maybe I could meet you,  
Tell me where to reach you  
And I'll give you a ring.

Miss the second feature.  
Lord, I can't believe my eyes, I must be dreaming,  
Give me your number, I'll give you a ring,  
Give me your number, I'll give you a ring.

Oh, man, I know I won't be lonely any more, (won't be  
lonely any more)  
Me and my phone, I'm gonna call your home.  
I won't be lonely any more, (won't be lonely any more)

You look a little sleepy,  
Wanna go to bed, dear?  
Tell me can wed, dear,  
I'll give you a ring  
Take you to the chapel,  
Listen to the sermon.  
Lord, I can't believe my ears, I must be dreaming,  
Give me your number, I'll give you a ring,  
Give me your number, I'll give you a ring,  
Give me your number, I'll give you a ring.
