I've Had Enough

Paul McCartney

You're talking to me from the back of my car And I can't get nothing right And then you wonder why stand at the bar Day and night

I've had enough I can't put up with any more No no no no no no I've had enough I can't put up with any more No no no no no no no

You stand behind me with a watch in your hand And I can't get nothing done Well, people tell me you're punctual man But come on

I've had enough I can't put up with any more No no no no no no I've had enough I can't put up with any more No no no no no no

I earn the money and you take it away When I don't know where you're from I should be worried but they say It'll pay for a bomb

I've had enough I can't put up with any more No no no no no no I've had enough I can't put up with any more No no no no no no

I've had enough

Baby you know sometimes you get a little weary But if it ever happens honey You just come along to me Because you know

I've had enough I can't put up with any more No no no no no no I've had enough I can't put up with any more No no no no no no.
