

## If I Were Not upon the Stage

Paul McCartney

If i were not upon the stage,  
if i were not upon the stage.

"hey! hey! no! no!  
hey! no! hey! no! no!  
that's...that's not the one i meant, no! no!  
no, we don't want that one!  
what i meant to say, what i meant to say..."
