

Junior's Farm

Paul McCartney

You should have seen me with the pokerman
I had no money and I bet a grand
Just in the nick of time I look at his hand
I was talking to an Eskimo
Said he was hoping for a fall of snow
When you popped a sealion ready to go.

Let's go let's go let go let go
Down to junior's farm
Where I want to lay low
How life high life
Let's go let's go take me to the junior's farm.

At the houses of parliament
Ev'rybody's talking 'bout president
We all chip in for a bag of cement
Should have had more sense
He bought a gee gee and it jumped a fence
All for the sake of a couple of pence.

Let's go, let's go, let go, let go...

Let's go let's go down to Junior's farm
Take me down to Junior's farm
Ev'rybody tag along

I took my bag into a grocer's store
The price is higher than the time before
Old man asked me why is it more
I said you should have seen me with the pokerman
I had no money and I bet a grand
Just in the nick of time I looked at his hand.

Let's go, let's go, let go, let go...
