Looking for Changes

Paul McCartney

I saw a cat with a machine in his brain The man who fed him said He didn't feel any pain I'd like to see that man take out that machine And stick it in his own brain You know what I mean

I saw a rabbit with its eyes full of tears The lab that owned her had Been doing it for years Why don't we make them pay for every last eye That couldn't cry its own tears Do you know what I mean

When I tell you that we'll all be Looking for changes Changes in the way we treat our fellow creatures And we will learn how to grow

Well I tell you that we'll all be Looking for changes Changes in the way we treat our fellow creatures And we will learn how to grow When we're looking for changes

I saw a monkey that was learning to choke A guy beside him gave him cigarettes to smoke And every time that monkey started to cough The bastard laughed his head off Do you know what I mean

When I tell you that we'll all be Looking for changes Changes in the way we treat our fellow creatures

And we will learn how to grow

When we're looking for changes We're looking for changes We're looking for changes We're looking for changes in the way we are und. Yeah yeah, off the ground.
