Magneto And Titanium Man

Paul McCartney

Well I was talking last night Magneto and titanium man ... We were talking about you, babe, Oo they said

You were involved in a robbery That was due to happen At a quarter to three In the main street.

I didn't believe them Magneto and titanium man ... But when the crimson dynamo Finally assured me, well, I knew

You were involved in a robbery That was due to happen At a quarter to three In the main street.

So we went out Magneto and titanium man ... And the crimson dynamo Came along for the ride

We went to town with the library And we swung all over that Long tall bank in the main street

Well there she were and to my despair She's a five-star criminal Breaking the code

Magneto said "now the time come To gather our forces and run!!!" Oh no ... This can't be so ...

And then it occurred to me!

You couldn't be bad Magneto was mad! Titanium too! And the crimson dynamo Just couldn't cut it no more You were the law ...
