

## Man We Was Lonely

Paul McCartney

Man we was lonely  
Yes we was lonely  
And we was hard pressed to find a smile  
Man we was lonely  
Yes we was lonely  
But now were fine all the while

I used to ride on my fast city line  
Singing songs that I thought were mine alone  
Now let me lie with my love for the time I am home  
Man we was lonely  
Yes we was lonely  
And we was hard pressed to find a smile  
Man we was lonely  
Yes we was lonely  
But now were fine all the while

Now let me lie with my love for the time I am home

Man we was lonely  
Yes we was lonely  
And we was hard pressed to find a smile  
Man we was lonely  
Yes we was lonely  
But now were fine all the while  
But now were fine all the while  
But now were fine all the while
