Man We Was Lonely

Paul McCartney

Man we was lonely
Yes we was lonely
And we was hard pressed to find a smile
Man we was lonely
Yes we was lonely
But now were fine all the while

I used to ride on my fast city line
Singing songs that I thought were mine alone
Now let me lie with my love for the time I am home
Man we was lonely
Yes we was lonely
And we was hard pressed to find a smile
Man we was lonely
Yes we was lonely
But now were fine all the while

Now let me lie with my love for the time I am home

Man we was lonely
Yes we was lonely
And we was hard pressed to find a smile
Man we was lonely
Yes we was lonely
But now were fine all the while
But now were fine all the while
But now were fine all the while
