

# No Other Baby

Paul McCartney

But I don't want no other baby but you  
'Cause no other baby can thrill me like you do

Got a little woman  
Lives across the hall  
I got a little woman  
She lives across the hall  
And most every evening  
She's asking me to call

But I don't want no other baby but you  
No I don't want no other baby but you  
'Cause no other baby can thrill me like you do

But lots of other woman  
Say be daddy do  
Yeah lots of other woman  
Say be daddy do  
But I tell them I don't want no other baby but you

She said yeah  
She said yeah yeah yeah

Come on baby I wanna make love to you too

I said I don't want no other baby but you  
No I don't want no other baby but you  
'Cause no other baby can thrill me like you do
