

Off the Ground

Paul McCartney

There must have been a lot of heartache
For you to sink so low.
You must have had a ton of pressure.
Only answer if the answer's no.

I need loving, you need loving too.
Doesn't take a lot to get off the ground.

There must have been a lot of magic
When the world was born.
Let me be the one you wish for,
One you call for, when you're all alone.

I need loving, you need loving too.
Wouldn't take a lot to get off the ground.

Off the ground, off the ground.
Fly around, fly around.
Hear the sound, hear the sound.
Off the ground, off the ground.

Though it takes a lot of power
To make a bog tree grow.
It doesn't need a pot of knowledge.
For a seed knows what a seed must know.

You need loving, I need loving too.
Doesn't take a lot to get off the ground.

Off the ground, off the ground.
Fly around, fly around.
Hear the sound, hear the sound.
Off the ground, off the ground.

Hear the sound, hear the sound.
Off the ground, off the ground.
Yeah yeah, off the ground.
