

# Somebody Who Cares

Paul McCartney

When your body is coming apart at the seams  
And the whole thing's feeling low  
You're convincing yourself  
That there's nobody there, I know  
I know how you feel...

Like somebody has taken the wheels off your car  
When you had somewhere to go  
Well, it's annoying  
Not going to get very far, I know  
But somebody cares...

There's always someone, somewhere, you should know by now  
Always somebody who cares  
It's happening day in, day out  
Well, you know by now  
Always somebody who cares...

If you don't know it, how will it find you?  
How will we know your whereabouts?  
But I know how you feel...

I know how you feel...

Like somebody has taken the wheels off your car  
When you had somewhere to go  
Well, it's frustrating  
Not going to get very far, I know  
But somebody cares...

There's always someone, somewhere, you should know by now  
Always somebody who cares  
It's happening day in, day out  
Well, you know by now  
Always somebody who cares...

If you don't know it, how will it find you?  
How will we know your whereabouts?  
But I know how you feel...
