

# Take It Away

Paul McCartney

Take it away  
Want to hear you play  
Till the lights go down  
Take it away  
Don't you want to stay  
Till there's no one else around?

Take it away  
Want to hear you play  
Till the lights go down  
Take it away  
Don't you want to stay  
Till there's no one else around?

Lonely driver  
Out on the road  
With a hundred miles to go  
Sole survivor  
Carrying the load  
Switches on his radio

Take it away  
Want to hear you play  
Till the lights go down (down down)  
Take it away  
Don't you want to stay  
Till there's no one else around?  
(Repeat)

In the audience  
Watching the show  
With a paper in his hand  
(In his hand, in his hand)  
Some important impresario  
Has a message for the band

Take it away  
Want to hear you play  
Till the lights go down (down down)  
Take it away  
Don't you want to stay  
Till there's no one else around?

You never know who may be  
Listening to you  
You never know who may be  
Listening to you  
Take it away - take it away

After hours  
Late in the bar  
By a darkened corner seat  
Faded flowers wait in the jar  
Till the evening is complete
