

# Treat Her Gently/Lonely Old People

Paul McCartney

Treat Her Gently  
Treat Her Kind  
She Doesn't Even Know Her Own Mind

Treat Her Simply  
Take It Slow  
Make It Easy  
And Let Her Know  
You'll Never Find Another Way

Here We Sit  
Two Lonely Old People  
Eaking Our Lives Away

Bit By Bit  
Two Lonely Old People  
Keeping The Time Of Day

Here We Sit  
Out Of Breath  
And Nobody Asked Us To Play

Old People's Home For The Play  
Nobody Asked Us To Play

Treat Her Gently  
Treat Her Kind  
She Doesn't Even Know Her Own Mind

Treat Her Simply  
Make It Slow  
Take It Easy  
And Let Her Know  
You'll Never Find Another Way

Here We Sit  
Two Lonely Old People Etc. Etc . . . . .  
. . . . . Nobody Asked Us To Play.
