

# You Gave Me the Answer

Paul McCartney

You gave me the answer  
To love eternally.  
I love you and - you,  
You seem to like me.

Wherever we wander  
The local folk agree,  
I love you and - you,  
You seem to like me.

Heading back to old familiar places,  
Places where the cobwebs blow away  
I can forget the airs and graces

Terpsichory ...

You'll never be crowned by  
The aristocracy,  
To their delight, you'd merely invite  
Them in for a cup of tea ... And  
I love you and - you  
You seem to like  
You seem to like  
You seem to like  
Me.
