## You Gave Me the Answer

## **Paul McCartney**

You gave me the answer To love eternally. I love you and - you, You seem to like me.

Wherever we wander The local folk agree, I love you and - you, You seem to like me.

Heading back to old familiar places, Places where the cobwebs blow away I can forget the airs and graces

Terpsichory ...

You'll never be crowned by The aristocracy, To their delight, you'd merely invite Them in for a cup of tea ... And I love you and - you You seem to like You seem to like You seem to like Me.
