

Vulnerable

Paul Oakenfold

Oh.....so vulnerable
so vulnerable
so vulnerable
you leave me vulnerable
so vulnerable
you leave me vulnerable

oh.....so vulnerable

you leave me vulnerable
I'm not invincible
you leave me vulnerable
I'm not invincible

The more that I'm around you
Is the weaker I become
The more that I'm around you
Is the weaker I become

you leave me vulnerable
you leave me vulnerable

so vulnerable
