## I Have Come To Love You

I have come to love you, For You have won my heart When You revealed Your love to me. My life will be a witness Of such love and such forgiveness, For You have given me Your peace, And You're everything I need.

I love to sing Your name, To speak about Your fame, You're worthy of my praise. I long to worship You In spirit and in truth, It's all I want to do.

You have come to love me

And heal my broken heart, Now I am reaching out to You. Your strength is in my weakness, I'm clinging to Your promise, So let Your work in me shine through In everything I do.

As I come before You now, Let Your Spirit touch me; I will make this gospel known. Fill me with Your love and power And Your compassion, Through me let Your kingdom come.
