

# Shepherd Of My Heart

Paul Oakley

Shepherd of my thankful heart  
Ever faithful friend you are  
Healer who now bears the scars  
Of Love's amazing grace

Heaven's Song made flesh for us  
Crucified upon the cross  
Now in glory, Jesus  
To you belongs all praise

Be glorified in me  
Be glorified in me  
Be glorified in me  
Jesus, my King

Sacrifice, no words could tell  
Majesty on earth to dwell  
Living Word, Emmanuel  
I'll love you all my days

Maker of the stars above  
Praise of angels ever sung  
King of Glory, King of Love  
Let all creation praise (repeat x3)
