

Shepherd Of My Heart

Paul Oakley

Shepherd of my thankful heart
Ever faithful friend you are
Healer who now bears the scars
Of Love's amazing grace

Heaven's Song made flesh for us
Crucified upon the cross
Now in glory, Jesus
To you belongs all praise

Be glorified in me
Be glorified in me
Be glorified in me
Jesus, my King

Sacrifice, no words could tell
Majesty on earth to dwell
Living Word, Emmanuel
I'll love you all my days

Maker of the stars above
Praise of angels ever sung
King of Glory, King of Love
Let all creation praise (repeat x3)
