

Heroes

Paul Overstreet

He drives into the city
And works extra hard all day
He finishes up early
So he can get away
'Cause there's a blue-eyed kid on second base
Wants Dad to watch him play
And Daddy knows he's waiting
So he hurries on his way
CHORUS: Cause you know heroes come in every shape and size
Making special sacrifices for others in her lives
No one gives them medals
The world don't know their names
But in someone's eyes, they're heroes just the same
She rocks her crying baby
In the hours before dawn
She whispers words of hope to help her
husband to hold on
She takes time for the children
Making sure they know she cares
She's more than just a Momma
She's the answer to their prayers
Repeat Chorus
No I don't pretend to know you
But I bet it's save to say
There's someone out there somewhere looking
up to you today
And they see everything you do
Except for you mistakes
You may not think you measure up
but you got all it takes

No one gives them medals
The world don't know their names
But in someone's eyes
They're heroes just the same
Yea , in someone's eyes
They're heroes just the same
Talking bout heroes....
Special kind of heroes.....
No ordinary heroes.
