

# If I Could Bottle This Up

Paul Overstreet

If I could bottle this up I could make a million  
I could sell everybody around  
On what I been feeling  
'Cause it's guaranteed to put a smile on your face  
A song in your heart after one little taste  
Folks couldn't get enough  
If I could bottle this up.

If I could take your kiss  
And twist it into liquid form  
And melt it with the way I felt  
Here in your arms  
Sprinkle in a twinkle or two from your eyes  
A dab of this fabulous feeling inside  
I could really rake in the bucks  
If I could bottle this up.

If I could bottle this up  
I could make a million  
I could sell everybody in town  
What I been feeling  
Cause it's guaranteed to put a smile on your face  
A song in your heart after one little taste  
Folks couldn't get enough  
If I could bottle this up.

Well I can see it now  
People knocking down my door  
Til I could get it on the shelf  
Of the local department store  
Nothing they sell would sell as fast  
Even if they threw in a time hourglass  
Folks would just eat it up  
If I could bottle this up.

If I could bottle this up  
I could make a million  
I could sell everybody in town  
What I been feeling  
Cause it's guaranteed to put a smile on your face  
A song in your heart after one little taste  
Folks couldn't get enough  
If I could bottle this up.

Folks just couldn't get enough  
Man they would just eat it up  
It really would be too much  
If I could bottle this up...
