Richest Man On Earth

Paul Overstreet

I've heard tell of millionaires And billionaires and such Who gathered all their treasures And still did not have enough

If money could buy peace of mind I guess they'd have it all But all the money in the world Wouldn't hold you when you fall

We've got a roof over our head And the kids have all been fed And the women I love most Lies close beside me in our bead Lord, give me the eyes to see Exactly what it's worth And I will be the richest man on earth

Lord, when I wish I had the things That you gave someone else I pray that you'll forgive me For just thinkin' of myself

I haven't been as thankful As I know I ought to be I should be more then satisfied With all you've given me

One thing is for certain It don't matter when you die If you had a million Or if you just got by yes, I will be the richest man on earth
