

## La Prima Volta

Paul Potts

The first time ever I saw your face  
I thought the sun rose in your eyes  
And the moon and the stars were the gifts you gave  
To the dark and the endless skies, my love  
To the dark and the endless skies

And the first time ever I kissed your mouth  
I felt the earth move in my hands  
Like the trembling heart of a captive bird  
That was there at my command, my love  
That was there at my command, my love

And the first time ever I lay with you  
I felt your heart so close to mine  
And I knew our joy would fill the earth  
And last till the end of time, my love  
And it will last till the end of time, my love

The first time ever I saw your face, your face  
Your face, your face
