

## Action (bonus Track)

Paul Revere & The Raiders

Oh baby, come on, let me take you where the action is  
Oh baby, come on, let me take you where the action is  
Oh baby, come on, let me take you where the action is  
It's so neat to meet you, baby, where the action is

In every little town across the USA  
There's a spot where the people go 'most every day  
So leave all your troubles and get away  
Come on down and listen to the guitar play

Dance, dance, dance when you hear that beat  
Dance, dance, dance, get up off of your seat  
Dance, dance, dance, let your backbone slip  
Let's go to a place on the Sunset Strip

If all night long you've been waitin' to dance  
Well all night long you're gonna have your chance  
So don't sit at home just a twiddlin' your thumbs  
You can't resist the sound of the drivin' drums

Dance, dance, dance when you hear that beat  
Dance, dance, dance, get up off of your seat  
Dance, dance, dance, let your backbone slip  
Let's go to a place on the Sunset Strip

Oh baby, come on, let me take you where the action is  
Oh baby, come on, let me take you where the action is  
Oh baby, come on, let me take you where the action is  
It's so neat to meet you, baby, where the action is
