

Hungry

Paul Revere & The Raiders

Girl you got this need to know what I'm all about
There is something that you dig you can't figure out
Well, you wanna know what moves my soul
And what ticks inside of my brain
But I've got this need I just can't control and it's
A drivin' me insane, I can't take it

Because I'm hungry for those good things, baby
Hungry through and through
I'm hungry for that sweet life, baby
With a real fine girl like you

I could almost taste it
It's sweet as wine

There's a custom tailored world that I wanna own someday
With a special place up high where we can stay alone you and me
Girl, I'm gonna have it all someday if you'll just hang on to my hand
If I break some rules along the way, girl, you
You gotta understand
It's my way of gettin' what I want now, 'cause I'm hungry

Yes, I'm hungry for those good things, baby
Hungry through and through
Well, I'm hungry for that sweet life, baby
With a real fine girl like you

I can almost taste it now
Oh, it's sweet as wine
Ain't gonna waste it now
When it's finally mine

Gonna live each minute, fill the hours and days
'Til I've had my fill, girl, I'll be rollin' in it
Yes, yes, you know I will, yes I will

'Cause I'm hungry for those good things, baby
Hungry through and through
I'm hungry for that sweet life, baby
With a real fine girl like you

Hungry for those good things, baby
Hungry through and through
I'm hungry for that sweet life, baby
With a real fine girl like you
