

Just Like Me

Paul Revere & The Raiders

It's just like me to say to you
Love me do and I'll be true
And what I'd like for you to say
Is you'll come home to me each day

Haiku be my girl that's what I want
Just you sweet thing and not a thing
It's just like me to feel so good
And fall so much in love with you

It's just like me, it's just like me
I'm actin' the fool that's how I'll be
But it's just like you to say goodbye
And leave me all alone at night

It's just like me to say to you
Love me do and I'll be true
And what I'd like for you to say
Is you'll come here each day

It's just like me, it's just like me
I'm actin' the fool that's how I'll be
But it's just like you to say goodbye
And leave me all alone at night

It's just like me, it's just like me
It's just like you my baby, it's just like you
It's just like me, it's just like me
