

Mr. Sun, Mr. Moon

Paul Revere & The Raiders

Life is bringing you so down
You don't think you can make it
Every night is a show down
Every day is just fake it
Let me show you a new place
If you follow directions
You'll be wearing a new face
Add it to your collection
Come on:

Refrain

Mr. Sun make it fine
Shine on down for this baby of mine
Mr. Moon come on through
When Mr. Sun goes well be counting on you

Repeat refrain

Let me show you a new place
If you follow directions
You'll be wearing a new face
Add it to your collection
And if you are interested in
What I'm trying to say
Look at me
Your heart is starting to gain on you

Refrain

Repeat refrain

Repeat refrain again

Mr. Sun make it fine
Shine on down for this baby of mine
Mr. Moon come on through
Ohhh were counting on you!
