

Peace Of Mind

Paul Revere & The Raiders

Now everybody seems to love it
No, there ain't a single thing above it
And if you've ever done without it
Got to join me now, I'm gonna shout it
I'm talkin' 'bout (peace of mind)

Turn your back on all the sorrow
Sun will shine so bright tomorrow
Oh listless sky will look much bluer
Ain't no fact that could be truer
Talkin' 'bout (peace of mind, peace of mind)

Now I learned a lesson for the season
Another need to have a reason
You got cloudy where the dance is sure sign
But in the mornin' you'll have sunshine
I'm talkin' 'bout (peace of mind, peace of mind)
I'm talkin' 'bout...

(Repeat & fade):
(Peace, peace of mind)
