

Deep Blue

Paul Rodgers

Deep blue is the ocean
Deep blue is the midnight sky
Deep blue is my emotion, yeah
Deep blue are the colour of your eyes.

Deep blue, deep blue
Deep blue, oh oh, I love you.

Red hot is the burning sun
Your love is the centre of my world
Red hot does my engine run
Red hot is my love, little one.

Deep blue, deep blue
Deep blue, oh oh, I love you
I love you, baby.

Deep blue is the ocean, yeah
Snow white are the drifting clouds
Red hot is my emotion, yeah
Deep blue are the windows of your soul, oh oh.

Deep blue, deep blue
Deep blue, deep blue
My my my my my my baby
Yeah yeah yeah.

Deep blue
One, two, three, four
Oh oh oh oh oh oh yeah
I love you.
