

Heart Of Fire

Paul Rodgers

My mama told me
Take care of your children
Give them all the love you have
'Cos they can never get enough

All I can give you
Is the space you need
But I'm watching
With a heart of fire
All I can give you
Is the love I have
But I'm watching
With a heart of fire.

This heart of fire
Is burning so bright
This heart of fire
Is burning day and night
This heart is burning
With the love you inspire
I'm watching with a
Heart of fire.

You may be thinking
I'm far away
Not caring not sharing
Your life
But if you've got a problem
I'll be right there
I'll do anything
Lay down my life.

This heart of fire
Is burning so bright
This heart of fire
Is burning day and night
This heart is burning
With the love you inspire
I'm watching with a
Heart of fire.

This heart of fire
Is burning so bright
This heart of fire
Is burning day and night
This heart is burning
With the love you inspire
I'm watching with a
Heart of fire.

I'm watching with a
heart of fire
Watching with a heart of fire
I'm watching with a
heart of fire
Watching with a heart of fire.
