

# Congratulations

Paul Simon

Congratulations

Oh, seems like you've done It again

And I ain't had such misery

Since I don't know when

Oh, and I don't know when, oh, and I don't know when

I notice so many people

Slipping away

And many more waiting in the lines

In the courtrooms today

In the courtrooms today

Love is not a game

Love Is not a toy

Love's no romance

Love will do you in

And love will wash you out

And needless to say

You won't stand a chance, you won't stand a chance

I'm hungry for learning

Won't you answer me please

Can a man a woman

Live together in peace

Oh, live together in peace
