

# Killer Wants to Go to College

Paul Simon

[INMATE]

Killer wants to go to college  
He wants to get his parole  
So the Department of Corrections  
Will release him in the fall  
Killer wants to go on T.V.  
Wants to talk about his book  
Make my life into a movie  
I got the style, I got the look.

[VIRGIL]

This boy used to be on death-row  
Will his violence return?  
Will he call out to his mother,  
'Mama, you can watch me burn!'

[INMATE]

Killer wants to go to college  
Another bullshit degree  
Tell the little town of New Paltz  
'You ain't got nothin' to be scared about with me'
