

# Kodachrome

Paul Simon

When I think back on all the crap I've learned in high school  
It's a wonder I can think at all  
And though my lack of education hasn't hurt me none  
I can read the writing on the wall

Kodachrome, they give us those nice bright colors  
Gives those greens of summers  
They make you think that all the world's a sunny day

Well I've got a, a Nikon camera  
I love to take photographs  
So Mama don't take my Kodachrome away

If you took all the girls I knew when I was single  
Brought them all together for one night  
They never matched my sweet imagination  
And everything looks better in black and white

They give us those, those nice bright colors  
Gives those greens of summers  
They make you think that all the world's a sunny day

Well I've got a, a Nikon camera  
I love to take photographs  
So Mama don't take my Kodachrome away

Mama don't take my Kodachrome away  
Don't take my Kodachrome away

Mama don't take my Kodachrome  
Mama don't take my Kodachrome  
Well, Mama don't take my Kodachrome away

Mama don't take my Kodachrome  
Leave your boy so far from home  
Mama don't take my Kodachrome away

Mama don't take my Kodachrome  
Mama don't take my Kodachrome away
